

Dear MUN Director/MUN Advisor,

**Monday March 16<sup>th</sup> 2026**

On behalf of my fellow MUNISH Board of Directors, it is my great honor to invite you and your students to the 36th annual MUNISH conference. MUNISH 2026 will be held from **Friday November 6<sup>th</sup> to Sunday November 8<sup>th</sup> 2026**. The MUNISH conference is aimed at delegates between the ages of 14 and 19. The theme for MUNISH 2026 is **"Navigating Diplomacy in an Age of Divergence"**.

The MUNISH mission statement declares that MUNISH is "A conference run by youth, for today's youth, to benefit the youth of tomorrow." Keeping these values in mind, MUNISH strives to embody the purest form of Model United Nations, providing students with a weekend filled with debate, discussion, and the evaluation of solutions for a brighter future. With over 1,200 participants, students from around the world step into the roles of diplomats, reinforcing change by critically examining the issues shaping our world today. Participants leave MUNISH with a fresh perspective on global affairs and their role in shaping the future. Additionally, MUNISH is affiliated to The Hague International Model United Nations (THIMUN). As such, it promotes THIMUN's educational aims and operates in accordance with its by-laws and procedural rules.

The selected theme for the 36th annual MUNISH conference, **"Navigating Diplomacy in an Age of Divergence"** invites us to confront an increasingly evident reality. The institutions upon which diplomacy has been built are facing growing tensions caused by division and a lack of dialogue. It challenges delegates to balance globalization and nationalism while confronting growing fragmentation in law, international norms, multilateral trust, and political accountability. In an era marked by deepening divergence in values, and political ideals, this theme challenges us to strive for consensus and demonstrate that unity remains possible.

Bearing this in mind, the 21 forums for this year's MUNISH conference have been carefully selected. Among them are several advanced committees: **The Historical Security Council (HSC)** will focus on the year 1985, examining the Indochina crisis of 1979 and the Question of Cyprus. The **Crisis Committee (CC)** provides a unique experience, with the issue unfolding throughout the conference. The **International Court of Justice (ICJ)** is ideal for students with a general interest in law or those considering a legal career. This year, the committee will tackle the case: Application of the Convention on the Prevention and Punishment of the Crime of Genocide (Bosnia and Herzegovina vs Serbia and Montenegro).

For more experienced delegates, **the Advisory Panel on the Question of the Strait of Hormuz (APQSH)** offers a unique and insightful perspective on the situation in the Strait of Hormuz. Due to the complexity and depth of these committees, we strongly recommend that only the most experienced delegates take part. Additionally, the **MUNISH Press Team** provides valuable opportunities for students interested in journalism or photography. All such students are encouraged to apply (see page 15).

The deadline for submitting **the School Registration Form is Monday, 13<sup>th</sup> April 2026**. To ensure we can accommodate all potential participants, it is essential that the form is submitted by this deadline. While individual participant names are not required at this stage, we do need the provisional number of delegation(s) you would like assigned to your school.

**The School Registration Form (Form 1) and the Student Officer and Press Team Applications** must be completed and submitted digitally. Links to these forms can be found on pages 12–15 of this mailing. Once submitted, the Board of Directors will allocate member states, non-member delegations, and Student Officer positions, which will be published in the Second Mailing in mid-May. You will then be able to assign students to your delegations through our digital registration system (Form 2), which will be available from mid-May through September 2026.

In alignment with our school's financial policies, we kindly inform you that all MUNISH 2026 invoices must be **paid electronically** this year. We do not accept cash transactions for any payments. Please ensure that all fees and invoices are settled using one of the approved electronic payment methods.

We look forward to welcoming you and your students to our school in The Hague, the City of Peace and Justice, in November 2026 for an enriching, inspiring, and memorable experience.

Yours sincerely,

Juliet Alkema  
**Secretary-General | MUNISH 2026**

<b>Deadline for payment of fees</b>	<b>Friday October 9<sup>th</sup> 2026</b>
-------------------------------------	---

## Cancellation Deadline & Cancellation Fee

If for unforeseen circumstances a delegate or whole delegation is suddenly unable to attend MUNISH 2026, a cancellation must be e-mailed to the Secretariat ([munish.secretariat@ishweb.nl](mailto:munish.secretariat@ishweb.nl)) by Monday 7<sup>th</sup> September 2026 to **avoid** a **€150 cancellation fee**. This will be confirmed in the form of a reply to the cancellation email.

## Subsidised Travel Cards

Delegates arriving from countries outside the Netherlands may have the option of purchasing a travel card from us providing access to all public transport systems in The Hague. We strongly advise this purchase as the Dutch Transport System uses a system that is both expensive and impractical for short visits. This year, MUNISH will again be offering the “Congreskaarten”/travel cards that holders can use to take any public transport around The Hague (unlimited) for 3 - 7 days. These travel cards are a great success every year! The card will allow holders to take the trams or buses to and from school and to any other locations they may wish to see in The Hague. **These will be priced at €23.75 per person for 4 days** and will be available to anyone who takes part in the conference. This

Number of Days	Price Per Person
3	€18.00
4	€23.75
5	€29.50
6	€35.25
7	€41.00

means that by using the travel card, cardholders could save up to €20 in travelling costs per person. **If some schools want the cards for an extra 5th day, they will need to pay an extra €5,50 per person for a total of €29.50 per person for 5 days.**

**However, if you choose not to purchase one of these tickets you have two other alternatives: you could buy a ticket each time you travel which costs €4.85 and is valid for 2 hours, so if students were to take 2 trips a day (to and from the conference), this would cost €9,70 each day.** There is also a day card which costs €8,60 per day for unlimited travel. The travel card we offer is therefore by far the cheapest alternative. Purchasing these cards, which we have specially negotiated with the travel company HTM, are also significantly cheaper to use in comparison to the conventional OV-chip travel cards.

The digital travel card request form will be included in the Second Mailing in May. You will then be requested to order the travel cards no later than **Monday 21<sup>st</sup> of September 2026.**
