

Dear MUN Director/MUN Advisor,

Friday, 5th of June 2026

On behalf of my fellow MUNISH [Board of Directors](#), I am pleased to present you with the Second Mailing for MUNISH 2026. We are delighted with the responses we have received to Form I and the First Mailing and are therefore looking forward to hosting a vibrant and diverse conference based on our theme **Navigating Diplomacy in an Age of Divergence** (<https://munish.nl/pages/theme>).

The Second Mailing contains organisational information and a more detailed outline of the MUNISH 2026 conference. We have allocated schools to country delegations and Non-Member delegations, according to, as much as possible, the preferences listed on the application forms. **In some cases, the number of delegates exceeded the places in the country delegation(s) meaning that the schools in question have received an extra delegation, which they may choose to take up or relinquish depending on the size of the delegation they will bring to MUNISH in November.** If you wish to have another delegation assigned to you, we still have some available, but please first ensure that you have enough delegates to fill the extra places in the delegation allocated. Conversely, if you believe that you will have enough delegates to fill the extra delegation you have been assigned, please let us know as soon as possible so that we can re-assign your delegation(s) to other schools.

Resources for the delegates, such as *How to Help MUN Delegates Become Prepared* and the *MUN Chairing Guide* are now available on the MUNISH website (www.munish.nl/pages/munguides). We would like to strongly encourage your delegates to make use of these resources as well-prepared delegates can only enhance the quality of debate during the conference.

The Third Mailing, to be sent out in early September, will contain information concerning the registration of individual delegates (Form 2), which will be completed via the MUNIS registration system (used for the submission of Form 1). In addition to this, information concerning hotels, travel, and tourist attractions can be found on our website at www.munish.nl/pages/hotels. Form 2, registration of your delegation in our database, is due **Monday September 14th, 2026**.

All information contained in this mailing and additional information can be found at www.munish.nl.

In case of any further questions regarding country delegations or further queries, please do not hesitate to contact us at munish.secretariat@ishthehague.nl.

Yours sincerely,

Juliet Alkema
Secretary-General | MUNISH 2026

General Information

Important Dates and Deadlines (<https://munish.nl/pages/deadlines>)

- **Conference Cancellation Deadline before:** Monday 7th September 2026 to avoid a €150 cancellation fee
- **Registration of participants due (Form II):** Monday 14th September 2026
- **Deadline for ordering subsidized travel cards:** Monday 21st of September 2026
- **Deadline for payment of fees:** Friday 9th October 2026
- **Conference Dates:** Friday November 6th to Sunday November 8th 2026

All forms must be filled in and submitted digitally. The digital links to these forms can be found on pages 12 - 14 of this mailing.

MUNISH Bank Details & Participation Fees Deadline

Please **note that information containing our bank payment details will only appear once you submit your Form 2 and we formally accept it.** Therefore, once you submit your Form 2 in early September and we accept it, your current **'Statement of Account'** on your financial page will become an invoice revealing our bank details. We do this in order to avoid confusion of schools paying before filling in and submitting Form 2. The payment of fees deadline is **Friday, October 9th, 2026.**

Conference Cancellation Deadline & Conference Fees Deadline

If for unforeseen circumstances a delegate or whole delegation is suddenly unable to attend MUNISH 2025, a cancellation must be e-mailed to the Secretariat (munish.secretariat@ishweb.nl) by **Monday the 7th of September 2026.** This will be confirmed in the form of a reply to the cancellation email. Please note that if there is a cancellation beyond the deadline, a €150 cancellation fee will be incurred. Additionally, as mentioned in the **MUNISH Bank Details & Participation Fees Deadline** section (see Page 4), the information regarding our bank details will be disclosed on the MUNIS website once Form 2 has been submitted and we have formally accepted it. Therefore, once you submit your Form 2 and we accept it, your current **'Statement of Account'** on your financial page will become an invoice revealing our bank account details. We do this to avoid confusion of schools paying before filling in and submitting Form 2.

The deadline for payment of fees is Friday October 9th, 2026.

Please address all your invoice questions to our Business Manager at:

munish.businessmanager@ishthehague.nl

Registration Fee per School (For Domestic and International Schools)	€69
Participation Fee per Person (Delegates and MUN Directors)	€95
Participation Fee per Person (Student Officers)	€95

Registration of Participants (Form 2)

On the User Manual link (http://munis.thimun.org/munish/user_manual.pdf) **you will be able to download an Instruction/User Manual that has a step by step guide on how to register your delegation and this can be found on pages of 7-10** of the link above. We recommend that you download the user manual to help you fill in the Form 2 online.

Therefore, once logged in, you can check your school's participation, assign delegates to available committees based on the requirements for each delegation/register delegates, MUN-Directors/Chaperones and also check your invoice using the Account/Financial tab.

Login/Password Info

If you cannot remember your password, please click on the **'I do not remember my credentials'** link at <https://apps.thimun.org/munish>. The system will then automatically send you a new password to the email address that you used on Form 1 (the address registered by the system). Please remember to change the password.

Registration of Delegates

We ask that you do not write your students' names using capital letters when filling in Form 2. **For example, write 'Mary Jones' and not MARY JONES.** In the case we receive a submission where this has been done, we will unfortunately have to ask for the submission to be edited, as this interferes with the production of the badges and printing participation certificates.

Assigning Delegations & Compulsory Delegations

All delegations that are represented in the Security Council (SC), Historical Security Council (HSC), Futuristic Security Council (FUNSC), Advisory Panel on the question of the Strait of Hormuz (APQSH), Economic & Social Council (ECOSOC), Group of Twenty (G20), Peacebuilding Commission (PBC), Environment Commission (EVC), and UN Office on Drugs & Crime (UNODC) **must have compulsory representatives in those committees**. Form 2 on the MUNIS registration system ([MUNIS - Login](#)) also clearly indicates the minimum and maximum number of delegates that you can register for each delegation.

Please **assign your most experienced delegates to the following committees (in ranked order); Security Council (SC), Historical Security Council (HSC), Futuristic Security Council (FUNSC), and Advisory Panel on the Question of the Strait of Hormuz (APQSH).**

Explanation of Assigning Delegations

In some cases, the maximum number of delegates granted exceeds the requested amount of delegates. The schools in question must ensure that all their delegations are represented in the compulsory committees (see [Assigning Delegations & Compulsory Delegations](#)). It is essential that MUN Directors place their delegates in the aforementioned forums before assigning them to other committees. Preferably, place the delegates with the most experience in the committees of concern for your assigned delegation, prioritising the advanced committees mentioned previously. Additionally, we recommend that you take into consideration the interests and preferences of your delegates when assigning committees.

Again, if you wish to have another delegation assigned to you, we still have a few remaining, but please ensure that you have enough delegates to fill the places you have already been assigned. Conversely, if you do not believe that you will have enough delegates to fill the extra delegation(s) you have been given, please let us know as soon as possible **so that we can re-assign your delegation(s) to other schools waiting for extra delegations.**

No Badge Photos Required - School ID Instead

Please note that for this year's MUNISH conference, **badge photos are not necessary**. However, due to our school's security policy, **all participants will need to have some form of official identification on them during the conference** and for the Madurodam Party. Passports are discouraged and participants should use a school ID or other recognisable ID instead.

Digital Resolutions & Digital Device Requirements

The MUNISH conference will have all resolutions in a digital format, accessible through an online resolution fetching system. This measure has been taken in accordance with our effort to continually strive for greater sustainability and will therefore substantially reduce the use of paper in our conference. Due to this new change, **it will be required that all delegates at MUNISH have access to a digital device from which they can access the resolutions debated during the conference.** Acceptable digital devices include laptops and tablets. **We strongly discourage the use of mobile phones inside committee rooms** as they distract from debate.

Research Report Publications

Research Reports will begin to be published in August on the MUNISH website at <https://www.munish.nl/pages/committees>. All research reports will be published **at least five weeks prior to the conference** and therefore in early September. In the meantime, should you have any questions, please do not hesitate to contact us at munish.secretariat@ishthehague.nl.

Accommodation (Hotels)

This year, MUNISH is negotiating with local hotels to offer you the best deals and affordable rates. On our MUNISH website, we have provided you with information with regards to hotel prices and locations around The Hague (<https://www.munish.nl/pages/hotels>). More hotel options in The Hague can be found on www.booking.com.

Several hotels have offered discounted rates for MUNISH participants. The interactive map allows you to see what hotel is best suited for your delegation. Hotel price comparisons can be found below the interactive map of The Hague.

Hotels should therefore be booked very soon, especially with regards to schools coming from abroad, to avoid any issues with booking that may come as hotel capacity decreases closer to the conference dates.

Transportation

For finding your way around public transportation in The Netherlands and The Hague, we highly recommend using the website <https://www.9292.nl/en#>. This service is also offered as a mobile application. This site is in English and will inform you about all the travel information, including transport arrival and departure times, maps for walking routes and the total cost of the trip in case you choose not to buy the subsidised travel card offered in the section below (see **Subsidised Travel Cards**). Also please find directions to and from the conference from the Schiphol Airport and The Hague Central Station at <https://www.munish.nl/pages/directions>.

Subsidised Travel Cards

Delegates arriving from countries outside the Netherlands may have the option of purchasing a travel card from us providing access to all public transport systems in The Hague. We strongly advise this purchase as the Dutch Transport System uses a system that is both expensive and impractical for short visits. This year, MUNISH will again be offering the “Congreskaarten”/travel cards that holders can use to take any public transport around The Hague (unlimited) for 3 - 7 days. These travel cards are a great success every year! The card will allow holders to take the trams or buses to and from school and to any other locations they may wish to see in The Hague. **These will be priced at €23.75 per person for 4 days** and will be available to anyone who takes part in the conference. This means that by using the travel card, cardholders could save up to €20 in travelling costs per person. **If**

Number of Days	Price Per Person
3	€18.00
4	€23.75
5	€29.50
6	€35.25
7	€41.00

some schools want the cards for an extra 5th day, they will need to pay an extra €5,50 per person for a total of €29.50 per person for 5 days.

However, if you choose not to purchase one of these tickets you have two other alternatives: you could buy a ticket each time you travel which costs €4.85 and is valid for 2 hours, so if students were to take 2 trips a day (to and from the conference), this would cost €9,70 each day. There is also a day card which costs €8,60 per day for unlimited travel. The travel card we offer is therefore by far the cheapest alternative. Purchasing these cards, which we have specially negotiated with the travel company HTM, are also significantly cheaper to use in comparison to the conventional OV-chip travel cards.

The digital travel card request form can be filled in with the following link: <https://forms.gle/NsNQyKCGdA62gUAj8>
Please order the travel cards **Monday 21st of September 2026**.

Preliminary List of Workshops Available

MUNISH 2025 will be offering four workshops, which will take place during the conference. These will be held in the school facility on **Friday November 6th**. Students may sign-up for all workshops during registration on Friday. Please note that we will be offering two workshop sessions. The agenda can be found in this mailing ([Provisional Programme of Events](#)) and on the MUNISH website (<https://www.munish.nl/pages/agenda>).

The workshop leaders will be announced in the Conference Booklet. We will, therefore, offer the following workshops listed below:

The New Delegates Workshop is a great opportunity for new participants to develop their debating techniques, language, and skills in the perfect environment with others. Delegates will be able to apply these skills during the conference as well as future MUN and MUNISH conferences.

The Student Officer Workshop aims to develop individuals so they are prepared to direct the debate as a chair in the future. This workshop is an excellent opportunity for participants to ask questions, learn new skills and techniques, and share experience. Participants with prior Student Officer experience are welcome to attend this workshop.

The Public Speaking Workshop is for all participants at the conference. This workshop is especially useful to individuals with little or no MUN experience, as public speaking plays a large role in debates. In this workshop, participants will learn a variety of skills, which will be helpful during the debate sessions

The Charity Workshop is open to all conference participants and is focused on the MUNISH 2026 charity. Representatives from the charity will come and host the workshop about their charity, purpose, and mission. The MUNISH charity will be announced in the Third Mailing, expected in mid-September.

MUNISH 2026 Charity

As we have previously mentioned, the charity will be announced in the Third Mailing (expected mid-September). During MUNISH, the profit from merchandise will be donated to the charity. We also hope that participants will be eager to donate to support vital work that charities do, especially considering recent events. In every committee, there will be a chance to donate via charity boxes that will be passed around. In addition, MUNISH 2026 will be organising a raffle to raise money for the designated charity. Participants will have the opportunity to buy raffle tickets during the conference. The winner of the prize (to be determined during the conference) will be announced during the closing ceremony. More about the raffle will be included in the Third Mailing (expected in September).

MUNISH 2026 Press Exhibition

MUNISH 2026 has organized a Press competition inspired by THIMUN, named the MUNISH World PRESS Exhibition and is open to every student participating in MUNISH 2026. We are looking for creative and skillful individuals hoping to display their photographs, articles or artworks. The submissions will be relevant to the MUNISH The Hague conference theme and all entries nominated for a distinguished award will be recognised during the closing ceremony alongside the other submissions displayed throughout the conference. We hope to encourage young individuals to step out of their comfort zone and highlight the theme of: “Navigating Diplomacy in an Age of Divergence” through their own lens, pen or paintbrush. More information about the exhibition can be found in this document: [Press Exhibition Information 2026](#)

MUN-Director Tour

MUNISH will be offering an MUN Director tour on **Saturday the 7th of November 2026** in the morning. This tour is intended to provide a medium for getting acquainted with each other. We are in the process of organising the location(s), which will be communicated to MUN Directors/Advisors in the Third Mailing.

Touring The Hague & Places to Visit in The Netherlands

Enjoy the many cultural and social activities in The Netherlands has to offer during your stay! There are many places to visit both in The Hague and in other cities that are generally less than an hour’s trip away. For the most up-to-date information on places to visit in The Netherlands, please visit our interactive page on the MUNISH website at: <https://www.munish.nl/pages/places>.

Issues on the Agenda

The *Issues on the Agenda* can also be found on the MUNISH website at: <https://www.munish.nl/pages/committees>. As mentioned previously, the Research Reports will be posted in the coming months on this page. Please check this page frequently so that your delegation can be informed of the published Research Reports (see [Research Reports](#)).

General Assembly (GA)

1st Committee (International Security & Disarmament)

- The question of the military use of artificial intelligence and emerging technologies
- The question of nuclear non-proliferation frameworks
- The question of overseas military bases and presence

3rd Committee (Social, Cultural, & Humanitarian)

- The question of delivery of humanitarian aid during political instability and armed conflict
- The question of protecting indigenous cultures and languages from digital and economic marginalisation
- The question of government's right to limit civil liberties in times of conflict

4th Committee (Special Political & Decolonisation)

- The situation in Iran
- The question of sovereignty and resource exploitation in the Arctic region
- The question of sovereignty and legal status of disappearing island nations

Special Conference on Accountability & Good Governance

1st Sub-Commission (SPC1)

- The question of sanctions in maintaining international peace and security
- The question of the security of global supply chains amid geopolitical tensions
- The question of state non-compliance with international court rulings

2nd Sub-Commission (SPC2)

- The right to retain nuclear weapons
- The question of strengthening regulations to prevent police brutality against peaceful protestors
- The question of governance and global regulation of artificial intelligence

Commissions & Councils

Security Council (SC)

- The question of tensions in the Middle East
- The question of the implementation of the Responsibility to Protect (R2P)

Historical Security Council 1979 (HSC)

- The Indochina crisis (1979)
- The question of Cyprus (1979)

Environment Commission (EVC)

- The question of establishing global accountability mechanisms for resource depletion
- The question of international cooperation in tackling water scarcity
- The question of addressing the Triple Planetary Crisis

United Nations High Commissioner for Refugees (UNHCR)

- The question of climate refugees
- The question of strengthening protection mechanisms for refugees in detention and border regions
- The question of improving long-term integration strategies for refugees in host countries

Economic and Social Council (ECOSOC)

- The question of unemployment caused by artificial intelligence
- The question of socio-economic inequality in education
- The question of regulation of social media platforms to prevent child exploitation

Human Rights Council (HRC)

- The question of human rights in conflict zones and the impact of lethal autonomous weapon systems (LAWS)
- The question of digital surveillance and privacy rights
- The question of protecting freedom of expression in the digital age

Peacebuilding Commission (PBC)

- The situation in the Sahel region
- The situation in Ukraine
- Strengthening international coordination in peacebuilding efforts

Futuristic Security Council (FUNSC)

- The question of regulating the use of artificial intelligence and autonomous systems in modern warfare
- The question of regulating state and private sector activities in Earth's orbit and beyond

United Nations Office on Drugs and Crime (UNODC)

- The question of decriminalisation of drug use
- The question of strengthening international cooperation against cybercrime and jurisdictional loopholes
- The question of combating transnational human trafficking and organised crime

North Atlantic Treaty Organization (NATO)

- The question of burden-sharing and strategic cohesion within the alliance
- The question of the future strategic direction of NATO
- The question of the evolving nature of hybrid threats

United Nations Committee on the Peaceful Uses of Outer Space (COPUOS)

- The question of space debris and ensuring sustainable use of Earth's orbit
- The question of equitable access to space technologies for developing nations
- The question of preventing the militarisation of outer space

Other Committees

Advisory Panel on the Question of the Strait of Hormuz

- Reducing global economic dependence on the Strait of Hormuz
- Preventing political escalation and ensuring freedom of navigation
- Addressing environmental risks linked to oil spills in the Strait

Crisis Committee

Group of Twenty (G20)

- The question of economic sanctions in global finance and trade
- The question of artificial intelligence in global financial systems
- The question of global energy security

World Health Organisation (WHO)

- The question of rising vaccine hesitancy
- The question of regulation of artificial intelligence in digital health systems
- The question of governance of biotechnology and genetic engineering

International Court of Justice (ICJ)

- Application of the Convention on the Prevention and Punishment of the Crime of Genocide (Bosnia and Herzegovina v. Serbia and Montenegro)

Student Officer Appointments

The MUNISH Board of Directors is proud to announce the Student Officer assignments for MUNISH 2026!

The positions will be posted shortly on the MUNISH website (<https://www.munish.nl/pages/stoff>)

General Assembly (GA)
